

ADVANCED
ENVIRO)SEPTIC^{MD}

Things to Remember!!

The Enviro-Septic® System is a simple and easy septic system, producing Level IV Quality Effluent. It:

- Does not require pumps or aerators
 - Does not require electricity
 - Does not require washed stone
 - Does not have any moving parts
- Does not require any maintenance except an annual inspection
 - Can be installed in ground, partially raised or fully raised.
 - Very easy to install
 - Does not require a mantle.
