

2022 Virtual Convention & Expo

Virtual Convention Registration

Virtual Full Convention Pass: \$200.00 (+HST & Fees)

Monday, February 28th-Tuesday, March 1st

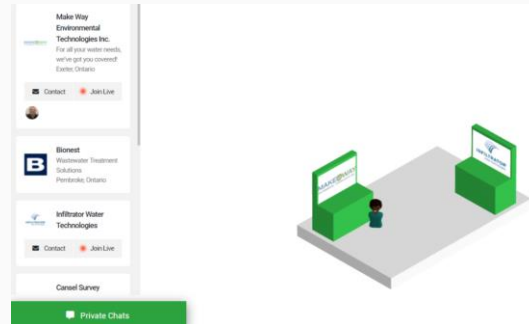

[Follow this link to register!](#)

Attendees will be able to experience a virtual expo hall, the pursuit of gamification codes to win special prizes, and perhaps even some live entertainment!

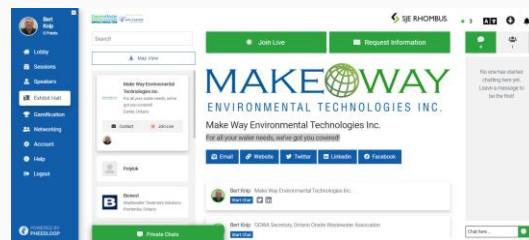

Don't forget, when you register for the virtual convention, you will have access for the entire year. So no need to be in two places at once – just log in again at a later date!

Don't miss out – Visit [OOWA.org](https://www.oowa.org) today!

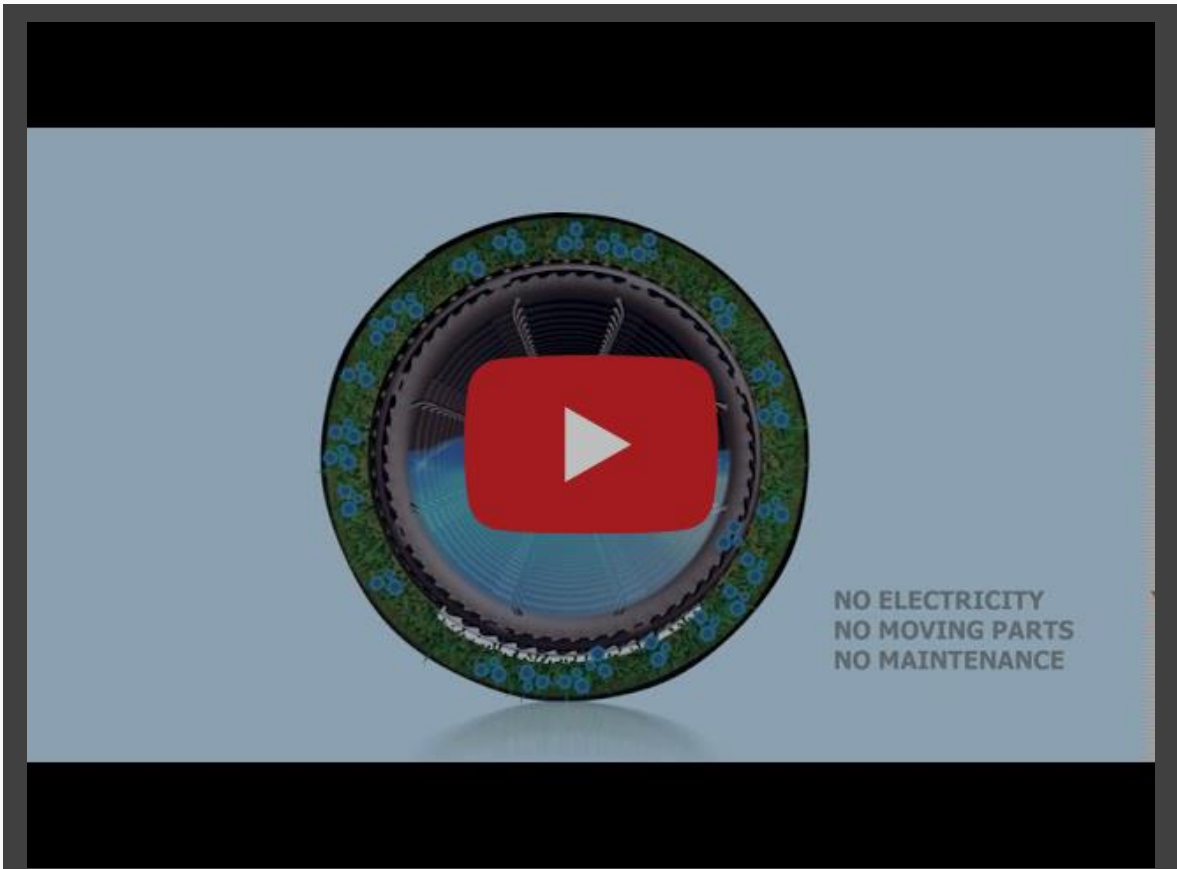

Make-Way Environmental Technologies Inc. will be there! Come find us in the Exhibitor's Hall. A lot of information can be found in our booth, talk with us live or submit a request for more information!

**For all your water needs,
we've got you covered!**
Wastewater, Stormwater, Rainwater,
Greywater

System O)) is the simplest wastewater treatment system on the market. There are no moving parts, it does not require any washed stone and is very easy to install. The system produces Level IV quality effluent and yet, does not require any mechanical or electrical parts. PLUS, the System O)) often requires less area than other conventional and advanced treatment systems.
